Attention.

John Anderson is busy working on a full length film with a producer from the UK. This film is going to be a awareness film about domestic violence.

John Anderson is currently screening new actors/actresses for all parts of the film.

Filming is expected to start by early spring 2020.

If your in the Alberta Canada area and would like to be a huge part of the production then please message us asap .

On a further note, John Anderson no longer owns Stolen Productions or any other entity other than Silvermanslim. We see a lot of rumors so we wanted to set the record straight.

Thanks from The #Silvermanslim_Team
