John Anderson beat Mark Mumma, Tony Blas and John Aster in court Oct 30th 2019.

Was an epic court date to watch 3 charges dropped out of 5. 10 prior charges, 5 Defamation and 5 Online Harassment dropped due to evidence backing Anderson's claims against Mark Mumma and John George Aster.

Here is the audio of Aster talking about his child porn conviction.

<https://youtu.be/BPRYJI-3mVo>

Also proved on Andersons computer is the connection between John Aster and many fake advocates who are now under a shit heavy sting. Unpurpose threats so an arrest happens and then uses court to expose the facts. Damn smart move by Actor John Anderson.

He proved everything about the following names as being fact.

#Robin_Sherman
#Francesca_Banfield
#Tony_Blas
#John_George_Aster
#Mark_W_Mumma

All are in association to a convicted pedophile named #John_George_Aster who founded the scam called #AXJ where many real investigative journalists, and even new media outlets exposed AXJ as a fake organization filled with pedophiles and even people convicted of online sextortion.

Monster hunters and discuss.

#John_George_Asters own words admitting to pleading guilty to child porn. Part 1 of 3. He is speaking with Michelle who recorded the conversation to expose the pedophiles ass.

Many in family and children's rights groups are supporting convicted pedophile #John_George_Aster.

At this point if you are seeking support for any family court issue, seeking for it anywhere online is now proven to be more dangerous than playing chicken with a locomotive.

John Aster is a pedophile, has been proven so in a candian court case recently. Thus meaning anyone and everyone connected to pedophile

Francesca Banfield, Mark Mumma, John Aster all of them utilise the services of this extremely creepy loony tunes who is quite famous in New Zealand as the warrior for predators!!! Rachel is obsessed with protecting the rights of those that clearly believe they have a right to use children for sex !!!

It has been reported Mumma is very much part of a global child porn distribution cartel with Mumma being the brains behind advanced distribution intel and he provides aster and Rolstan with gateways to divert attention exploitation through networks including police and false misleading threatening legal actions ... Rachel Rolstan is the missing link, the ghost who walks, the secret troll who is everyone but she don't fool us.. last time this creep came to Australia she snuck in the back Door because she feared for her life and no wonder because this woman does her best by keeping predators and paedophiles on the street

That's #Robin_Sherman, she introduced a pedophile she knows named Jim Hogan to a few members and didnt tell anyone of them he was a convicted pedophile. That's why she got her ass booted. Video calls and audio calls prove it.
