We are Monster Hunters, and we seek and expose the most important information about the dangers of social media and the pedophiles we call monsters that lurk within.

Naming and shaming each monster as they should be.

We are hell bent on exposing anyone associated with any convicted pedophile also.

Be ready because we are on the hunt for evil doers.

The following email is to convicted pedophile #John_George_Aster and his 4 associates.

#Mark_W_Mumma, #Tony_Blas, #Robin_Sherman, #Francesca_Banfield sent from Edmonton Crown Prosecution #Kreig_Kreiger

All are seen in this email as working with convicted pedophile #John_George_Aster to try and shut Anderson down for exposing the truth about Aster and their involvement with Aster.

The following is a recorded call where Aster never denies child porn on his computer.

Fucked up when Corrine Mitchell lost her son due to nearly killing him as an infant child of 2 weeks old and is still associated with every evil fraud and pedophile that biological son has exposed.

Corrine has to explain why her ass was never left any funds from her mother in the will.

Why she was kicked out of the entire family after she was found beating her own baby boy to near death.

Her only family would be all those scum who her son exposed, siding with pedophiles to try and do harm that is far from doing any harm in reality. Lol.

John Anderson beat Mark Mumma and John Aster in court Oct 30th 2019. Was an epic court date to watch 3 charges dropped out of 5. 10 prior charges, 5 Defamation and 5 Online Harassment dropped due to evidence backing Anderson's claims against Mark Mumma and John George Aster.

Also proved on Andersons computer is the connection between John Aster and many fake advocates who are now under a shit heavy sting. Unpurpose threats so an arrest happens and then uses court to expose the facts. Damn smart move by Actor John Anderson.

He proved everything about the following names as being fact.

#Francesca_Banfield
#Tony_Blas
#John_George_Aster

I defaming sour loser, a proven cyber stalker, a sexual deviant, and you target people who suffer mental illness. You are a sick sick man. For the age you are I would expect more maturity, yet the way you act and those who you surround yourself with proves the kind of man and mentality you behold in reality.
You Mark and associates have no way out of this, what you have done publicly for a convicted pedophile is just as sick as a human could ever get. P.s. Robin Sherman didn't you get kicked out of Stolen because you sent another convicted pedophile in Alberta named Jim Hogan to someone's house who had a daughter, and when that father found out he was a pedo he lost his shit on you?
Oh yes you did and we have all the proof.

Our cyber stalker seems to have the same deadbeat review for everything. Mark creates websites against anyone who opposes him in any way shape or form.
Mark is so delusional that he thinks creating websites about those he is in anger over, makes him top of the pyramid.
Well, so sorry to burst that pride bubble Mark Mumma, but you ain't got any control over anything at all. Not even control over yourself. Lol.
If anything, Anderson is in control and its showing bluntly to all eyes and ears who are watching and listening.

This is priceless and soooooo funny to watch Mark squirm like the worm he is.
The webguy showing his true colors, showing he is sure not anyone you would want to hire to build any website for any company.
Hell, this guy is ruining himself everyday and all we have to do is sit back and watch his self proclaimed abilities wither away as the rest of everything that Mark's mouth spews is proven bullshit. Lol
[#John_George_Aster](#) is a [#Proven_Peado](#) and [#Mark_W_Mumma](#) is still trying to claim a guilty pedophile was not convicted when he sure as hell is. Mark needs to wake up, The more you try and claim a convicted peadophile is not convicted, you Mark, place millions of innocent people and children at risk of the peadophile.
So how much more of a hole does one need to dig for himself? Who knows how much more stupid idiotic posts, videos and comments that will do nothing more than cause [#Webguy](#) and everything tied to it costly damages. Again, at that point the only one Mark can blame is himself. Lol.
We looked into Mark's claims of spam from the travel agency, mark actually physically signed up for every email he got. He staged it all and when we are done dissecting everything he has caused it will be made public for all to see.
The man is a fraud, a con, a fake hacker, who couldn't hack a child's PSP VITA. He is exposed as a proven associate to convicted peadophile John George Aster who founded AXJ.
ONE OF ASTERS PARTNERS WAS SENTENCED 18 YEARS FOR ONLINE SEXSTORTION. You can find the article with the new post via global news, youtube, and stolen.club
Another lie Mark is telling is that the actor is calling him a peadophile. Hmmmmmm, nope. The actor said you are proven to associate with a proven convicted peadophile.
Try and stick to the truth there Markie Boy.
P.S. everything you spew and lie about the actor who exposed you, is nothing compared to the truth about the founder of webguy associates himself with a proven convicted peadophile and by choice. That's some pretty sour shit right there [#Markie](#)

Well well well,
Lookie what we have here, all those names who filed false affidavits with convicted pedophile #John_George_Aster.

These names targeted actor John Anderson because Anderson exposed the connection each of those names have to John George Aster who plead guilty to over 15,000 images of child porn.

They claimed Anderson was lying and attempted to charge Anderson with defamation yet once all the evidence was collected, proving everything Anderson was saying as being 100% true facts.

An epic documentary is being filmed about this true story of how an actor defeats fake advocates, website designer, convicted pedophile, a claimed pedo hunter all in Canadian court.
The actor uses court to expose the truth about these busted out cons etc.

Please explain what drove you to support a known convicted pedophile that has just been exposed in Canadian court named, #John_George_Aster
Explain why you worked with and filed false affidavits with a convicted pedophile.

Explain Mark why you keep targeting John Anderson after he proved in court your ties to a convicted pedophile. Targeting him via #Bong_John_Silver and stolen.news?

Explain why is it now you all are proven to be the liars and on a global epic scale and how you think this will affect any business or relationships you may have?

This is a disgusting page that sexualizes prebuscent young girls.

Please help us destroy this normalization of pedophilia by reporting this page.

These girls are being sexually exploited and there are comments literally stating "best pussy" on a photo of a girl that can't be more than 13.

Everyone needs to REPORT this page IMMEDIATELY.

These pedophiles are getting far too confident.

This is more art #Epstein owned. This was in his NY property. How many more of these are there???

Surely Bill had to pose for this one.

Imagine the black suits that escort the president to Epsteins homes and wait outside the door must hear and know a lot of the evil doing and refuse to pipe up putting a stop to pedophiles.

Warning!!
#Corrine_Mitchell is the woman who abused her 2 week old child. Beat his back in so hard to keep him from crying. This was back in 1979, since then and to this day she continues to stalk my husband #Actor_John_Anderson who also exposed her for her abuse in Facebook live.
She is also friends with others exposed by Anderson, one in particular is a convicted pedophile named #John_Aster who plead guilty to over 15,000 images of child porn.
She claims to now know #Jayme_Knyx after she had stalked John's fanpage and saw a video of Jayme and Anderson together.
If you get a message from her please send to Edmonton Cyber Crimes Division and send a screenshot to #Actor_John_Anderson.
There is an open pending case against Corrine and many of her associates. Here is her profile> https://www.facebook.com/corinne.mitchell3

I've always thought you were a pedophile John...from the first conversation we had. A recorded call? Ohhhhhh I'm scared. You are such a bag of useless wind. Praying you find a mental health facility and get the help you need. And hopefully when you come down off the drugs...you will get some sleep too!

That comment proves your a fraud advocate. Never call someone who is a victim of sexual abuse a pedophile you scumbag. More so never call that to someone who is proven to expose pedophiles. Why? Because that's an act of aiding each and every pedophile I have exposed. Meaning your actions are that of someone who is pro pedophile. 😊

I think it's time to list, name and shame those who choose to follow and like pages made by, perverts, pedophiles, child abusers, sexual deviants, bums who fake who they are for donations and so on.
Some people are just so damn stupid that if they choose to support scum that harms the innocent, then those names can be shamed with the exposed they seem to follow.
Dont like pages you know nothing about those who created it and why the created it.
8 out of 10 people will like pages by a pedophile, fraud advocate, rapist, fake journalist, fake organizations etc.
Use your head. Dont risk those in contact with you by liking and sharing pages that could be made by evil we are fighting against.

Attention Claimed Predator Hunters!!!
You are educating pedophiles on what not to do & scaring them into eliminating any possible evidence in their home, car etc that could send them away for years. On top of that you are fucking up the cases against them.

If you bail a predator, take it to the police and get something done properly. You are also using victims of sexual abuse to gain social gratification. Spitting on victims all because you want to gain fame from antisocialites. If you catch a predator, take it to the police. Stop fucking shit up to the point the pedo scum run home to delete hard drives, burning evidence such as the pedophiles trophies from victims, clothing, hair, pictures etc.

The tactics used are more pro pedo than anti pedo. Wake the fuck up.

Since exposing the fake organization called #Americas_Taken. They call our founder and father a pedophile because he was sexually abused.

This is yet more proof these people don't deserve to have children, proven reason as to why they lost their own children to the system.

#Geraldine_Phifer is a convicted child abuser hiding behind her own fake organization creation. Not to mention the many pedophiles she has involved like #John_Aster and #Elizabeth_Mason.

#Americas_Taken harbors parents who have many reasons to not have children in their care. Parents to display actions like as seen in this screen shot.

Is this worth donating to? Knowing these people are being paid to create hate campaigns and make defamatory comments about survivors of sexual abuse.

Think, there are real genuine organizations out there that refrain from this sort of behavior. They are the ones that deserve donations, not Americas Taken.

Anacho Uzomba Redeemed Christian Church members quickly diverted their taboo.

More than two months delay Police to send just an invitation to me Anacho duly exposed that OC Legal Panel, Eno Edobor, Barr Jide Martins of Attorney General of Lagos State (AG), Union Assurance Plc and Union Bank Plc, who have our claim they took by tricks, colluded in bringing about improper conduct that led to the quick changing of Union Assurance's name to Ensure Insurance Plc. In their greed to con and takeover our reputation and values, with no regard how hard and years it took our Nigerian/Japanese family to build.
Jide Martins, who I handed over some of the exhibits that exposed the arson and attempted murder, based on their demand with AG office letter dated 3 October 2014, sent text to my phone and communicated to me that they had handed over to OC Legal the order of AG to re-investigate and because of the importance of the case the handover was done in the office of Commissioner of Police, Lagos State on 3 November 2014.
Patrick Inok, the IPO under OG Legal, brought invitation to me on 12 January 2015, leaving a loophole of 2 months. On 14 January 2015, I went to OC Legal's office to honor the invitation. As I stepped into his office Edobor picked his phone and started talking to someone; that the name of the man he brought is to match for his daughter, that he has done the prayer and gave the man the chapter of the bible to read. I, Anacho with not comfortable with what I was hearing from this man, matching people he has never met in the name of prayer. Later, I submitted my statement dated 15 January 2015, mentioning clearly the meaning of some exhibits I submitted to the AG office.
I went to Pantl several times, OC Legal never asked me any question about those exhibits. Instead, he asked me to bring a lawyer. I disagreed with him immediately. It resulted into a serious argument. At a time he started abusing me that this is why no one wants to do this case, so many police officers know me. That this order of AG was thrown around in the Deputy Commissioner of Police (DC) office. That it was by his pity he picked the case up. Upon that I refused to agree with his suggestion. The verbal fight was very serious. It was Mr. Patrick who separated us.
I went straight to the DC and reported OC Legal's behavior to him. Could you believe, the DC said he had no idea about the order from AG's office to re-investigate any case of arson. The order did not pass through his office.. Kindly read full details of Update: for Great Trump and Great Shinzo Abe / Great Xi Jinping / Pres. Anacho Uzomba See para17 and 24]. Read demonic lawyers and criminal alhaji Kassim.

10. Zone 2 investigated and indicted our workers, Mr Daniel Pochi and Mr Justine Lbor Enang in the legal department took them to Magistrate Court 6, Tinubu. Our works have two lawyer possible from Redeemed Church members. Mr Justin who is from CROSS RIVER STATE demanded our original Certificate of Incorporation during the time MD Abubakar was the AIG, that they wanted the court to know we were a registered company; which we gave to him. The day we were submitting our witnesses, our original certificate was passed to the magistrate judge. And Justin promised to apply to the court to bring it back. Since then I have asked Justin several times, including writing a petition against him dated 17 April 2014 to the Assistant Inspector General of Police (AIG), to bring back our certificate; all in vain. Can you believe an officer from Zone 2 and a lawyer from EFCC told me in the Federal High Court Ikoyi that our company's Certificate of Incorporation the Police had submitted to Magistrate Court 6, Tinubu Square, was taken by criminals Innoson's group; and they went to CAC and they collected other documents related to our company, Nnojap Ventures, and used them to open an account in which they paid the fraudulent 2.4 billion naira GTB suicide loan.

13. Alhaji Kassim, the owner of the building our office/showroom was located in, served us a suit that he was suing us in magistrate court and attached an agreement purported to be signed by me; that I had paid him four years and an additional one year and we were owing him one year rent, 2011. It is possible criminal Alhaji Kasim is perfecting fake agreement signature in their Magistrate Court, which must be the same signature they used in the 2.4 billion GT Bank suicide loan. So if they had killed me with their multiple poisonings or in the gas fire, they would have used that agreement to tag me to the loan, as it had already been legalized by their court. My workers who ran away with the payment receipts to Alhaji Kassim while I, Anacho, was in Great Japan was a grand design of the evil they were executing. The whole country was used against us.

14. We gave that suit to one of our lawyers, Dickson Osuala and we made it clear to him that the signature did not belong to us and we had never signed an agreement with Kassim. We told our lawyer we paid him four years when he was doing the foundation, in the middle of the job he collected another four years, making eight years. Upon that he did not complete the first floor we had paid for. Our company was the one that did the plumbing job, installed the toilet, and the aluminum windows, burglar proof, the doors, the tiles and marbles and pop. His purported agreement did not mention any of these. Who can sign when the money we had paid for these things. Click photo, URL to read more. This is the man we all confronted associated with Elizabeth Mason, John Aster, and many more exposed frauds and convicted pedophiles.

Keeps calling John Anderson's number in a direct attempt to ruin his case against Francesca Banfield and convicted pedophile John Aster, Mark W Mumma, and more.

Meko just did a live trying to tarnish the case John Anderson has against the exposed scam.

He keeps calling and using others to act as John Anderson in other calls he stages using spoofcalling.

Secret?

States are getting paid by the Federal Government for using the Family Court to force divorced parents out of the lives of their children.

Yep, it's true - Here's the law that funds it: Social Security Act, Title IV, Part D, Section 458 "Incentive Payments To States."

Now you know one reason why Family Law is so screwed up. States are making money by creating absent parents.

Convicted child abuser and scam artist [#Geraldine_Phiper](#) is exposed committing online criminal defamation and online criminal harassment. Today [#Actor_John_Anderson](#) and his family made formal police reports against this scammer.

John Anderson exposed Geraldine Phiper and her fake organization [#Americas_Taken_Children](#) as being a [#fake_organization](#) using [#donations](#) to supply hate smearing and [#drugs](#).

Geraldine Phiper is seen calling Actor John Anderson a pedo, yet we have his entire criminal record and also uploaded it to the article to prove this woman is no real advocate, just a psychopath hiding behind the advocacy groups and name.

On top of it she was found to be strongly connected to convicted pedophile [#John_Aster](#) who plead guilty to over 15000 images of child porn, both live and deceased naked children. Geraldine Phiper it's making sense now why you like pics of suffering children and families.

The even more sick portion of this is her friend and website designer [#Mark_W_Mumma](#) is also friend with pedophile John Aster and making websites that defame and target those who expose the truth about them.

Everyone please welcome #Actor_John_Anderson's close friend #Anthony_Tolda who ran for #NY_Congress in 2010 & 2013.

John & Anthony plan on producing a few more shows surrounding corruption. You thought John Anderson didn't know political peeps?!

Well it's now obvious why John Anderson called #Francesca a fraud. Welcome back Anthony Tolda. Time for an update!!!

Johns niece shayla received an updated pic via BLUETOOTH.
John is still working with actors Nathan Forrest Winters & Bobby Wolf Jr in the

John is doing well, spending alot of time with his family. Staying off the internet &

February 18 ·

While some educate pedophiles doing street level busts, pedophiles are becoming more brazen and proud about the lifestyle they disgustingly have chosen. There are thousands upon thousands of pedophiles who could care less if they get blasted on a Facebook live.

I do believe John Anderson warned viewers in the past 10 years this was going to happen..

Please report that #Pro_Pedo #fanpage.

SEXUALIZING CHILDREN! @RedefiningRefuge

This is disgusting, and frankly unacceptable! These are CHILDREN, NOT COMMODITIES and this is the exact kind of rubbish that perpetuates #pedophilia and #sextrafficking of minors!!!! #protectinnocence #dancemoms

And we quote, "...boobs and crotch, you can't have me, you can't afford me...."

**Although this was filmed in 2012, the show CONTINUES to be aired today on Lifetime despite that as recent as 2016; there were allegations that the children featured in Dance Moms were being targeted by pedophiles and stalkers (<https://broadlyvice.com/...the-dance-moms-stars-and-their-b...>)

The only Anti Child Abuse Biker Organization that never uses a survivor of abuse as a glorification tool. We don't care about media attention or flashing our vests everywhere we go.

Screw poker runs. It's either about protecting and supporting survivors of abuse, not media attention, not fame, not using the abused.

Just awareness and personal support.
No we do NOT ride in parades.
We are tough and family oriented members.
Screw merchandising like the others. We sell you nothing, just our free love and support for our abused children.

Abused in society or online, we are in on full force to take on more than any other claimed organization. Even if it means exposing pedophiles and those who enable them, either online or in our communities. We are here to protect & expose. Not seek social attention like other feeble groups.

My actions have ever shown that I am a true survivor with balls enough to stand against all the money, power, and influence of such entities as Hollywood and Disney without hesitation or fear. I will not, however, turn my back on a brother or sister over hearsay and empty accusations without proof. I will not be swayed nor manipulated to abandon those I care about because of scorn, envy, insecurities, or personal vendettas. If I am wrong or I make a mistake I will be the first to admit it and make amends as best as humanly possible. I have no place in my life nor any amount of time and or energy to expend on childish, uninformed, rash behavior and I will not engage in the drama whatsoever. I'm not here to play games or play into a he said, she said mentality in the least. I am here and it is my sole purpose to inform, educate, provide living examples, be a voice, and help any and all in need of healing. CSA is a real issue that destroys countless lives of children being abused and their families. I am here to bring understanding from a first hand experience and to raise awareness. I am here to offer my voice and strength as a guide for others to discover their own. Period. I am NOT here to play games or be involved in the civil wars on social media platforms. If you haven't been listening to me thus far hear me now please, if we hope to stand a chance against those who prey on the innocent and abuse our children as well as their borrowed positions of authority and so called power we must cease all discord and attacks against each other and unite. We must work together and coordinate better than the monsters. We must place our personal feelings (ie, fears, doubts, disagreements, dislikes of personalities, insecurities, etc.) and find a way to simply work together for the greater good of human kind. There is no other course of action to take if we wish to put an end to CSA. In short we must have each other's backs and stand strong against the opposition. I thank you for your time and understanding and here and now officially ask that you keep my name out of the drama and games being played through social media. That is all. Omg. Mark Mumma is such an idiot. Lmfao. To him Google is the Oracle. An Australian proves him dead wrong. Time to educate yourself, stop acting like you know it all Mark. When you only keep making yourself known as the village idiot.

Mark W. Mumma sets the record straight regarding the arrest of John Hans Anderson.

Anderson was arrested because of the things he did on LIVE video and over the telephone. The evidence against John Anderson is video footage and voice recordings of John Anderson. No other evidence was presented, because no other evidence was needed. The "conspiracy theory" that secret groups conspired to do illegal things is beyond ridiculous.

All we did was send the none link to the video and asked

The video where #John_Anderson stands up to threats to him and his 9 year old daughter. The frauds claim his threats were soooooo serious. But wait, play that again. Did I just hear John Anderson say within that video he is NOT SERIOUS about the threats? WTF. And he actually got arrested? No

This is an attack by those who filed lies with Stony Plain RCMP. This video of Rachel who is friends with Francesca, mark mumma, pedophile John Aster. In this video she calls John Anderson a whole slew of names, even claims Anderson is a pedophile. Yet these criminals filed lies with Stony Plain RCMP to use the police as a tool to stop John Anderson from exposing the raw truth about them, there involvement with real pedophiles, scam organizations used to extort parents using personal information and so much more.

Francesca Banfield your a failure.

This is a copy and paste from John Anderson's STOLEN group. Please support him and us admins. Thank you.

👉 (PLEASE READ) 👉

Welcome Everyone, I am John Anderson. I am seen in this video interviewing this survivor of sexual abuse, as well as confronting the pedophile after the interview.

I now started a YouTube channel where I offer a free outlet for any and all stories of corruption. I am also a victim of sexual abuse and do many video's encouraging other survivors to speak up against their abusers and get the justice we deserve. Some video's may have foul language, but please keep in mind the message I am trying to get out.

I am also a professional voice actor and have been for about 10 years on and off. I use all of my profits for the creation and stability of the S.T.O.L.E.N Network. This group is user friendly and you may post anything relating to corruption. Your own story, requests to have your story exposed, etc. Also feel free to post anything else as long as it isn't spam related or online special offers etc. Let's keep this nice and clean.

I also met & joined forces with founder & president Pete Geary of BUACA (Bikers United Against Child Abuse Australia) We have worked together since 2009 and your about to get to know many others involved who love and support each other. we are no longer victims but strong survivors.

I wish everyone the best group experience, as well as the chance to meet others who are willing to help wake up the world. 🙏

Thanks again.

(This Is My Recorded 2018 Statement Against My Childhood Sexual Abuser Emil Dastou) (<https://youtu.be/Rzq6i1KXJ-w>) I am currently trying to get him back into court to be convicted. He served 5 years for molesting a boy after me. Me and that other boy have met this past 2017 and want to see him behind bars. Now you understand that exposing this shit is my own outlet to help cope)

Bong John Silver shared your post.

1 min ·

Delusional doesn't begin to cover it.

An Oklahoma Website Designer started "orgs" to "cash in"?

What does that even mean? Yeah, he started a website design firm back in 1993, the purpose of which was to "make money".

What country do these nimwits think this is? Communist Russia?

As for FBI investigations, Mumma just got his concealed carry license renewal. That doesn't happen when someone is under ongoing investigation by the FBI.

It's funny how seemingly clear thinking individuals can be suckered in to the lies and trickery of pathological liars.

All we did was send the RCMP links to the LIVE facebook videos and said "watch this...."

That was all it took.

False police report? - wishful thinking.

A man went to his father and said:
'Father, I can't take it anymore, my wife is driving me insane!!! I want to kill her, but I'm afraid someone might find out I did it. Please help me?!'
The Father replied.
'Yes I can help you, but there's a but... you're going to have to make amends with her so no one would suspect that it was you, when she dies... You'll have to take very good care of her, be kind, grateful, patient, caring, less selfish, listen more and help her with chores...you see this powder here? Every day you have to put a little in her food. So, she dies slowly.
Thirty days had passed and the son came back and said to his father:
'I don't want her to die! I have come to love her. And now... how do I cut the effect of the poison?'
Then the father said:
'Don't worry! What I gave you was rice powder. She's not going to die, because the poison was in you!'
'When we feed grudges, our love slowly dies. When we make peace with ourselves and with those who offended us, then we can deal with the other, as we would like to be treated.'
Then, we will have the initiative to love, to give, to offer, to serve, to care for... and not just have the need to win, to be served, or to take advantage of and exploit the other.
We all need to stop, pray and ask for that antidote called forgiveness.
We all need to stop, pray and ask for that antidote called forgiveness.
