Meko Haze the fake investigative journalist is previously exposed for his support for convicted pedophile #John_George_Aster of #AXJ.

Today Meko (propedo) Haze is busted commenting under a post about a pedophile hunters attempted suicide explaining the condition is stable.

The already exposed sexual deviant and high profiled pervert is on a rampage, targeting all those who support Anderson while supporting the sick and twisted realm of pedophilia via convicted pedophile #John_George_Aster.

More so standing for a pedophile, I'm sure that will go over well with child and family services.

John Anderson
October 16 at 1:29 PM · 🌐

Update!!
#John_Anderson has most of the 16 charges dropped.
5 defamation and 5 harassment dropped due to valid proof backing up everything John Anderson has been saying about the names he was exposing on his shows.
What's left is 6 charges, 5 uttering threats and 1 breach.
Crown has made an offer to drop 3 uttering threats if John Anderson pleads guilty to the other 2.
I say take it,
John Anderson,
You are our damn hero, to be known as the man who was correct in everything you have been saying and to know you stood up against a group of fake advocates and pedophiles who threatened yo daughter bro.
To everyone reading this,
JOHN Anderson's daughter was threatened and john returned the threats with a threats that if any of them touched his daughter he would k1ll them.
John Anderson's daughter was threatened by the names he exposed, threats to kidnapp, rape and kill his daughter, who wouldn't return a threat like that with another threat.
Proven Fact:
The convicted pedophile #John_George_Aster is a real convicted pedophile.
Those who supported those who targeted Anderson actually were helping a convicted pedophile and fake advocates create hate smearing campaigns.
#Pro_Pedo
Those who are now exposed as fraud advocates and convicted pedophiles will remain exposed as they are proven to be everything Anderson said they are.

this woman is no real advocate, just a psychopath hiding behind the advocacy groups and name.
On top of it she was found to be strongly connected to convicted pedophile #John_Aster who plead guilty to over 15000 images of child porn, both live and deceased naked children. Geraldine Phifer it's making sense now why you like pics of suffering children and families.
The even more sick portion of this is her friend and website designer #Mark_W_Mumma is also friend with pedophile John Aster and making websites that defame and target those who expose the truth about them.
