This is a recorded call between convicted pedophile John George Aster and another woman.

As you listen, you can clearly hear the female bring up Asters child porn convictions then in response Aster does not deny the convictions, but rather gives excuses as to why he never tried to get the convictions of child porn overturned.

recently this recording was played in a court proceeding proving an host/actors claims about Aster as being 100% fact. Forcing crown to drop all defamation charges against the actor got against him from Aster and 4 other of Asters close associates. (Mark W Mumma, Tony Blas, Francesca Amatto Banfield of the scam called Punished 4 Protecting, Robin Sherman of Winnipeg Remax Realty)

This recording on top of many others, including recorded calls to the investigating officer in John Asters case named Dave Farley also supports the claims that John George Aster did indeed plead guilty to multiple child porn pictures found in his possession and on Mr Asters computer.

(Next upload will be the call between this same woman in this call and the investigating officer Dave Farley who confirms John Aster is indeed convicted for child porn possession.

Many names supporting this convicted pedophile and even claimed childrens rights organizations are also seen openly supporting this pedophile. Risking millions upon millions of innocent children and families globally.

Since exposing the fake organization called [#Americas_Taken](#). They call our founder and father a pedophile because he was sexually abused.

This is yet more proof these people don't deserve to have children, proven reason as to why they lost their own children to the system..

[#Geraldine_Phifer](#) is a convicted child abuser hiding behind her own fake organization creation. Not to mention the many pedophiles she has involved like [#John_Aster](#) and [#Elizabeth_Mason](#).

[#Americas_Taken](#) harbors parents who have many reasons to not have children in their care. Parents to display actions like as seen in this screen shot.

Is this worth donating to? Knowing these people are being paid to create hate campaigns and make defamatory comments about survivors of sexual abuse.

Think, there are real genuine organizations out there that refrain from this sort of behavior. They are the ones that deserve donations, not Americas Taken.

You're a hateful idiot who is attempting to misinform people about what [#AmericasTAKEN](#) is about. You're not going to do shit to Geri because there are a lot of people who love her. And she's probably right. You probably are a pedophile, being sexually abused doesn't disbar you from being a pedo or a trafficker. If anything, it would make that more likely, CDC studies show that and so do studies done by Childrens Bureau.

WAOAH, QE HEARD ABOUT THE EXPOSED #miko_haze and how he openly helped fraud #Francesca_Banfield & convicted pedophile #John_Aster.

Plus how many people he is in contact with that are not in the state if mind to have a child in their care. Hence why most of these advocates are not real advocates and are playing the corruption card.

As of today and seeing the actions of many claimed advocates do nothing but bullying and trolling. We now support child services and will be exposing those who are fake advocates, child abusers etc playing the corruption card.

Convicted child abuser and scam artist #Geraldine_Phifer is exposed committing online criminal defamation and online criminal harassment. Today #Actor_John_Anderson and his family made formal police reports against this scammer.

John Anderson exposed Geraldine Phifer and her fake organization #Americas_Taken_Children as being a #fake #organization using #donations to supply hate smearing and #drugs.

Geraldine Phifer is seen calling Actor John Anderson a pedo, yet we have his entire criminal record and also uploaded it to the article to prove this woman is no real advocate, just a psychopath hiding behind the advocacy groups and name.

On top of it she was found to be strongly connected to convicted pedophile #John_Aster who plead guilty to over 15000 images of child porn, both live and deceased naked children. Geraldine Phifer it's making sense now why you like pics of suffering children and families.

The even more sick portion of this is her friend and website designer #Mark_W_Mumina is also friend with pedophile John Aster and making websites that defame and target those who expose the truth about them.
